Mr. Maggiore, Martin James

Dear Martin,

On behalf of the Asia Pacific Centre for Leadership and Change (APCLC) and the Links Planning Team I write to thank you for your involvement in the Links programme last week. The imposter activity was an interesting way for us to challenge our participants to think about their role as a teacher and a leader. Participants thoroughly enjoyed taking part in the imposter activity.

Thank you again for your involvement. Any feedback you have on the programme and the APCLC would be most welcome. I look forward to meeting you again some time in the future.

Kind regards,

Allan WALKER
