Dear Marty,

Thank you for making the 10<sup>th</sup> Lamma Fun Day a huge success! The day generated a gross income of over HK\$193,000 for Child Welfare Scheme (CWS). All proceeds go directly to the JYOTI centre, supporting young people in Nepal.

JYOTI addresses the unnecessary suffering of children who have been forced onto the streets due to the current political, social & economic climate in Nepal. It is a project which provides opportunities for destitute children and young people to gain the skills, self respect and confidence that will enable them to become independent, secure employment and reintegrate into mainstream society. These young adults graduate as Plumbers, Electricians, Secretaries and Care givers and are independent and off the streets providing for themselves and their families.

Thank you for making Lamma Fun Day 2009 a great event! We could not have done it without your amazing support!

We look forward to working with you again next year to bring joy to so many children and families in Hong Kong and Nepal.

Thank you!
