To Whom It May Concern,

I am pleased to have this opportunity to write a letter of recommendation for Mr. Martin Maggiore. Since late 2014, Martin has been leading the Drama, English and Speech extra-curricular classes at our service school Hong Kong Preschool (Pictorial & Ascot).

Martin is very dedicated and can always be counted to lead interactive classes with children aged 3-6 at the kindergarten. He is always well prepared with lesson plans and props for fun yet educational classes. Themes he proposes for each class is very interesting and activities are child-oriented. I am very pleased with his initiative to source in new ideas and International curriculum.

He is a very dependable and professional educator. I highly recommend Martin for any teaching position and further studies. Please do not hesitate to contact me should there be further enquiries.

Yours faithfully,

Gigo Tsui  
Manager
