Letter of Reference for Martin Maggiore

Martin Maggiore has been a contracted employee for the Port Melbourne Community Festival for the past 2 years.

He has provided unique artistic service within the art, production and community liaison areas he has been involved in.

Also his innovation, direction and encouragement of other music and art projects in the City of Port Phillip and throughout Melbourne have been exciting and dynamic.

I would highly recommend him as a valuable contribution to any artistic project particularly those which serve the community and assist and direct the aspirations of others in their artistic endeavours.

I wish him well for his future projects in Hong Kong and believe he will be invaluable in creating new opportunities in the Honk Kong Art World.

Sincerely

Oakies

(Festival Director)
